## EDUCATION

### Anurag University

*Bachelor of Technology in Information Technology*

CGPA: 8.74/10

2023-2027

### Kendriya Vidyalaya Picket, Hyderabad

*12th CBSE*

Percentage: 81%

2021-2023

## PROJECTS

### Student Performance Prediction Web App | *Python, Flask, scikit-learn*

[Link](#)

- Built a full-stack ML web app to predict student math scores (88%+ accuracy) using Flask and scikit-learn with a modern responsive UI.
- Explored both Azure and AWS to deploy containerized ML workflows, gaining experience with scalable MLOps deployment and cloud DevOps fundamentals.

### Heritage Hues: Promoting India's Stories through Heritage Tourism App | *FlutterFlow, Supabase*

[Link](#)

- Cross-platform tourism app showcasing Indian heritage, built using FlutterFlow and Supabase.
- Aggregated geolocation-based heritage data and integrated a searchable market module.

### GeeksforGeeks AUSC Chapter Website | *JavaScript, Tailwind CSS, Firebase*

[Link](#)

- Developed and deployed a dynamic club portal enabling real-time updates, event registration, and team visibility.
- Engaged 4000+ students on campus by streamlining communication and chapter activities.

## TECHNICAL SKILLS

**Languages:** Python, Java, C++, C, JavaScript

**Web:** React.js, Tailwind CSS, HTML, CSS

**Backend & DB:** Node.js, Express.js, MongoDB, PostgreSQL, Firebase, MySQL

**Cloud/Tools:** Azure, AWS (EC2), Git, Docker, Postman, Figma, VS Code

**Currently Learning:** Machine Learning, MLOps, Flask, Scikit-learn

## AWARDS & ACHIEVEMENTS

### Incoming Microsoft Learn Student Ambassador & IEEE Vice Chair

- Selected by Microsoft and elected Vice Chair of IEEE SSIT at Anurag University for outstanding community leadership and technical initiative.

### DSA Practice - LeetCode

- Solved 300+ LeetCode problems and regularly participate in contests to strengthen DSA skills.

### 1st Prize - Heritage Hues

- Won for promoting Indian tourism and culture through technology at Tejas 2K24 Project Expo, 2024.

### 1st Runners-Up - Data Dynamo

- Secured at Anurag University hackathon with a cash prize of 6,000 in 2024.

### Founded TechVedas

- Established a 350+ member tech community for technical learning and collaboration, 2025.
